DECLARATION UNDER 37 C.F.R. §1.132

We, M.P. Latorse and B. Givois declare that our report entitled "Study in Vivo on Plasmopara Viticola," a copy of which was submitted with the amendment mailed on February 1, 2002, is an accurate account of the experiments described therein.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information or belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of this declaration, the present application, or any patent resulting therefrom.
